Dear Chief Inspector Esau, Directorate (Ms Ngalo), and UIF Complaints Desk,

I write in formal follow-up to my urgent statutory complaint lodged on 10 February 2026 against Medscheme Holdings (Pty) Ltd, a subsidiary of AfroCentric Health (JSE: ACT).

As of 00:39 this morning, 16 February 2026, I have extracted a fresh report from ufiling.labour.gov.za confirming that the June 2025 employee declaration continues to reflect "No Information." The 48-hour compliance deadline I issued to the Employer has expired – by 4 clear days.

FURTHER, no acknowledgement of receipt has been received from the Inspectorate in the 6 days since my complaint was filed.

I am attaching two documents to this email:

1. Formal Follow-Up Escalation Notice (DEL_FollowUp_Escalation_16Feb2026.docx) – a nine-section formal notice setting out the expired deadline, the confirmed uFiling status, and my renewed request for an immediate Compliance Order.
2. Annexure UIF-A2 (Annexure_UIF_A2_Declaration_Status_16Feb2026.docx) – a forensic declaration status table extracted this morning, confirming June 2025 remains undeclared while all surrounding months are fully declared.

I respectfully request:

- (a) Written acknowledgement of receipt of both my original complaint (10 Feb 2026) and this follow-up notice;
- (b) The case reference number assigned to this matter;
- (c) The name of the Labour Inspector assigned to investigate; and
- (d) Issuance of an immediate Compliance Order directing the Employer to declare June 2025 within 24 hours of the Order.

If the Employer fails to comply within that period, I request referral for prosecution under section 56 of the Unemployment Insurance Act 63 of 2001.

I am a destitute, self-represented whistleblower currently experiencing homelessness and living with a formally diagnosed psychiatric disability. I respectfully ask that this matter be treated with the urgency it warrants.

Yours faithfully,

Sr. Wilbur Matthee
