Subject : URGENT FOLLOW-UP: Request for Immediate Judicial Placement | Case No: 2026-077546 | W.W. Matthee v Afrocentric Health (RF) (Pty) Ltd & Another
Date : 03 Jun 2026 09:12

Dear Ms. Ismail,

I respectfully refer to your email of 12 May 2026, in which you advised that my matter had been added to the backlog and that you would revert once a date had been allocated.

As of today, 03 June 2026 – a period of 22 days since your last correspondence and 34 days since the application for Default Judgment was formally filed – I have received no further communication and no date has been allocated.

I am compelled to bring the following material circumstances to your urgent attention:

1. I have received no salary since November 2025 as a direct consequence of the unlawful conduct of the Respondents.
2. I am in a state of financial destitution. My debt obligations are compounding daily.
3. The claim is for a liquidated, unopposed amount of R14,811.77 – a straightforward BCEA Section 34 contravention.
4. The matter is ripe, unopposed, and has been so since 29 April 2026. No Notice of Intention to Oppose has been filed to date.
5. The application requires no more than 10 minutes, or alternatively may be disposed of by a Judge in Chambers.

I respectfully and urgently request that:

- (a) The file be placed before a Judge in Chambers for a final order as a matter of priority; or
- (b) A date on the Unopposed Roll be allocated without further delay; or
- (c) I be advised of the correct procedure to bring an Urgent Application under Rule 8 of the Labour Court Rules should the ordinary process be unable to accommodate my circumstances.

I am a self-represented litigant with no access to legal aid and no income. The delay in finalising this matter is causing me severe and ongoing prejudice that cannot be undone.

I am available at any time and will provide any further documentation required immediately upon request.

Yours Professionally,

Wilbur William Matthee
Applicant (Self-Represented)
