Subject : Case No: 2026-066952 | Request for New Link to Audio Recording (25 March 2026)
Date : 28 Apr 2026 17:58

Dear Nicola,

I hope this email finds you well.

I am writing to kindly request a new access link or a reactivation of the link provided on April 13, 2026, for the audio recordings of the hearing held on March 25, 2026.

Unfortunately, I was unable to download the files before the expiration of the previous link. This delay was due to the intensive administrative demands of preparing and filing several urgent matters simultaneously in both the High Court and the Labour Court (Statement of Claim and Notice of Motion).

Could you please assist in providing a fresh link or advising on the process to regain access? Thank you for your continued assistance in this matter.

Kind regards,

Wilbur William Matthee
