Subject : URGENT STATUS ENQUIRY: CASE NO 2026-086906 | AfroCentric v Matthee
Date : 28 May 2026 11:10

Dear Registrar Hanekom,

I refer to my emergency correspondence sent at 10:24 AM regarding today's enrollment (Court 16, Roll Number 4) before His Lordship Judge Ralarala.

The Applicant's attorneys have sent me an unstamped "Draft Order" purporting to extend the rule nisi to March 2027.

Please urgently confirm if His Lordship Judge Ralarala was handed my Emergency Notice before the matter was called, and whether an official order was granted, or if judgment on the postponement conditions has been reserved.

As a self-represented litigant facing severe financial and banking latency today, I require confirmation of the court's actual directive.

Regards,
Wilbur William Matthee
