Dear Madidimalo Ramare,

I refer to your correspondence dated 11 February 2026.

As requested, please find attached the formal statement under oath providing the background and evidence for my complaint regarding **Fronting Practices (Window Dressing and Benefit Diversion)** by Medscheme Holdings (AfroCentric Health).

The attached Evidence Pack includes:

- Signed & Commissioned Affidavit:** Detailing the misrepresentation of my management status, exploitation of my NQF 8 qualifications, and discrimination based on identity and disability.
- Annexure A (Management Authority):** Proof of my external designation as "Case Manager" via corporate signature, contradicting the "Care Coordinator" title on my Certificate of Service.
- Annexure B (Statutory Command):** The July 2025 EHS Roster proving my operational control over three floors—a management function misrepresented on the B-BBEE scorecard.
- Annexure C (Administrative Fraud):** My official uFiling report (extracted 10 Feb 2026) proving the Respondent's failure to declare statutory employment data, highlighting systemic data unreliability.
- Certified Copy of Identity Document:** As required for formal registration.

I submit that the Respondent's actions constitute a "Corporate Survival Threat" to their B-BBEE compliance status, as they have utilized my professional credentials to satisfy scorecard pillars while actively marginalizing my role and violating my dignity.

I look forward to receiving the formal case number and the initiation of the investigation.

Sincerely,

Sr. Wilbur Matthee

END OF WARNING

Dear B-BBEE Commission Registry,

Please refer to my earlier correspondence regarding the formal complaint against Medscheme Holdings (AfroCentric Health).

I am writing to provide the signed Form B-BBEE 7, which was inadvertently omitted from my previous transmission. Please find the completed document attached, detailing allegations of:

- Fronting & "Status Downgrading": The use of my NQF 8 Specialist qualifications for Management Control points while restricting my operational authority.
- Benefit Diversion: The exploitation of my statutory appointment as Health & Safety Chairperson without commensurate recognition or remuneration.
- Unfair Discrimination: The weaponization of disability and gender identity to facilitate a constructive dismissal.

I apologize for this oversight and request that this attachment be added to the evidence bundle submitted previously.

Sincerely,

Mr./Sr. Wilbur Matthee
