Dear Executive Leadership,

This correspondence serves as my final and good-faith attempt to resolve, internally and without escalation, the severe and ongoing harm I have been subjected to as a direct result of the company’s repeated institutional failures.

Over the past months, I have experienced serious and documented misconduct, including:

1. Unlawful salary deductions exceeding 40% of my monthly income without my consent or consultation. This during a motivated mental health admission, awaiting a bed informed by the HRBP that the deduction was taken on the principle of no work no pay which did not require consultation.
2. Continuous intimidation, retaliation, and victimisation by my direct manager despite a lodged grievance. After a formal request to be temporary removal from her team. No action.
3. Awaiting feedback from manager as discrepancies found in up to 20% reduction in some cases of my monthly actual performance metrics that led to poor outcomes even missed opportunities in performance bonuses.
4. Prolonged silence and inaction from HR and senior leadership and union despite formal complaints. Currently +30days to date no response.

These actions have caused significant financial strain, forced me into a cycle of unexpected debt which i am struggling to manage, and resulted in severe psychological distress. My capacity to work in an environment that continues to permit such conduct has reached its limit.

Given the seriousness of these failures, I am formally requesting the restorative measures:

1. Paid Recuperation Leave & Guaranteed Reintegration

A period of fully paid special leave, allowing adequate time for psychological recovery.

Upon return, a permanent and immediate transfer to a new department.

2. Financial Settlement Determined by Risk & Compliance

I request a comprehensive financial settlement, independently assessed by the Head of Risk & Compliance, covering:

Financial losses caused by the unlawful deduction.

Debt incurred as a direct result of these actions.

Compensation for emotional distress, harassment, and institutional negligence.

The company's full legal exposure for:

Unfair labour practice

Discrimination

Failure to provide a safe working environment

Reputational and operational risks should the matter escalate externally.

3. Institutional Commitments

A written, irrevocable guarantee of no retaliation, present or future.

Next Steps

I am willing to meet with this leadership group and a neutral mediator within 14 days from date 04 December 2025.

If a signed agreement in principle is not provided by 14 working days, I will immediately proceed with the following simultaneous actions: As I feel I have exhausted all avenues this far to have the incidents resolved and this is my final resort.

1. File cases with the CCMA for unfair labour practices, and discrimination.

2. Lodge a formal complaint with the Department of Employment and Labour regarding the unlawful salary deduction.

3. Submit a complaint to the South African Human Rights Commission.

I am really at my breaking point now no motivation to come to work.

All evidence is already compiled and ready for submission.

I trust that the company will choose a constructive, internal resolution over a protracted and public legal dispute. I await your urgent response.

Kind regards,

Wilbur Matthee
