CMS – Council for Medical Schemes

Subject: Administrator Misconduct, Ethical Failure & Retaliation – Request for Investigation

Dear CMS Compliance & Investigations Unit,

I request CMS intervention regarding:

- discrimination
- retaliation
- unlawful deductions
- institutional silence
- executive de-escalation of my PDA
- board-level governance failure

These failures compromise:

- ethical administration
- beneficiary protection
- scheme governance

I request:

- whistleblower protection
- independent investigation

- oversight of Medscheme's governance practices

Sincerely,

Wilbur William Matthee
