Subject: FINAL NOTICE – HUMANITARIAN DEMAND & REGULATORY ESCALATION

Dear Members of the Board,

This is a **final humanitarian notice** issued under protected disclosure. I am a whistleblower under your oversight. I am currently two months in arrears on rent and face imminent eviction due to punitive deductions authorized by your executives following the de-escalation of my risk reports.

Final Demand

- **Financial Relief:** Immediate release of hardship funds to prevent homelessness and enable access to food and medication.
- **Independent Investigation:** Appointment of a private investigator to uncover the suppressed evidence and governance failures documented in the attached dossier.
- **Acknowledgment & Response:** If no written response is received by **12:00 PM today**, I will formally request urgent intervention by the **SAHRC, JSE, CMS, FSCA, BB-BEE Commission, and DEL** into the human rights violations and systemic governance failures outlined herein.

This notice represents the final opportunity for the Board to act responsibly and prevent irreparable harm.

Sincerely,

Wilbur William Matthee
