

AFFIDAVIT: B-BBEE COMMISSION INVESTIGATION

I, the undersigned,

WILBUR WILLIAM MATTHEE

(ID Number: 890903 5151 087)

Do hereby make oath and say:

1. THE PARTIES

1.1 I am the Complainant in this matter. I am a Black Professional and a Registered Nurse holding an **NQF Level 8 Specialist Qualification** (Postgraduate Diploma in Health Services Management).

1.2 The Respondent is **Medscheme Holdings (Pty) Ltd**, a subsidiary of **AfroCentric Health**, with its registered address at 37 Conrad St, Florida North, Roodepoort.

2. PURPOSE OF THIS AFFIDAVIT

This statement is provided to the B-BBEE Commission to provide the background for a formal investigation into **Fronting Practices**, specifically "**Window Dressing**" and "**Benefit Diversion**," as defined in Section 1 of the B-BBEE Act 53 of 2003 (as amended).

3. FACTUAL BACKGROUND: WINDOW DRESSING

3.1 During my tenure with the Respondent, I was externally designated and utilized as a "**Case Manager**" (See Annexure A: Corporate Email Signature).

3.2 I submit that the Respondent utilized my NQF 8 qualifications and my identity as a Black Professional to satisfy the **Management Control** and **Skills Development** pillars of their B-BBEE scorecard.

WIA WWM

3.3 However, in internal legal filings and on my official Certificate of Service, the Respondent has downgraded my status to that of a junior **"Care Coordinator."**

3.4 This constitutes **"Window Dressing."** The Respondent has intentionally misrepresented my level of authority and professional status to verification agencies to gain B-BBEE points, while internally suppressing my rank to avoid commensurate remuneration.

4. BENEFIT DIVERSION & STATUTORY EXPLOITATION

4.1 I held the Statutory Appointment of **Acting Chairperson of the Health and Safety Committee** and **Lead First Aider** for the 2nd, 3rd, and 4th floors.

4.2 As evidenced by the **July 2025 EHS Roster (Annexure B)**, I exercised operational control over 13+ staff members across three floors to ensure the Respondent's compliance with the Occupational Health and Safety Act.

4.3 Despite holding these management-level legal responsibilities, the Respondent refused to recognize this authority in my official title or salary. This is a clear case of **Benefit Diversion**: the Respondent realized the B-BBEE "governance" benefit of having a Black Professional in a safety leadership role, while withholding the economic benefit from me.

5. SUPPRESSION OF EVIDENCE (THE "NAMING CONVENTION")

5.1 On 5 May 2025, a meeting titled **"Naming Convention"** took place where my title was formally aligned to **"Case Manager"** to reflect my NQF 8 status.

5.2 On 19 January 2026, I formally requested the Microsoft Teams recording of this meeting to prove my management status. The Respondent has willfully refused to produce this evidence.

D.S.A. WWM

5.3 I submit that this recording is being suppressed because it proves the Respondent's internal recognition of my management status, which contradicts the fraudulent "Care Coordinator" title they reported on my Certificate of Service.

6. DISCRIMINATION AS A MECHANISM FOR FRONTING

6.1 I submit that the Respondent utilized unfair discrimination based on Gender Identity and Mental Health (Disability) as a mechanism to facilitate "Status Downgrading."

6.2 By subjecting me to public misgendering (the "Wilma" incident) and ignoring requests for reasonable accommodation regarding my mental health, the Respondent created a hostile environment designed to force my exit.

6.3 This allowed the Respondent to "claim" my NQF 8 credentials and my "Black Professional with Disability" status on their B-BBEE scorecard for the reporting period, while simultaneously ensuring I could not exercise any real Management Control.

6.4 This constitutes a systemic breach of the B-BBEE Act, where the "transformation" is purely mathematical (on paper) but "regressive" in practice (through the victimization of the individual).

7. ADMINISTRATIVE MALICE & UIF FRAUD

7.1 As further evidence of the Respondent's unreliable data reporting, I attach my **uFiling Report dated 10 February 2026 (Annexure C)**, which shows that the Respondent has failed to declare my employment for June 2025, despite my formal warning on 15 January 2026.

7.2 I submit that if the Respondent's payroll data is sufficiently compromised to result in statutory UIF fraud, their submissions for B-BBEE verification must be audited for systemic inaccuracy.

8. CONCLUSION

I request that the B-BBEE Commission:

8.1 Initiate a formal investigation into the Respondent's **Management Control** filings for the 2024/2025 period.

8.2 **Subpoena** the "Naming Convention" Teams recording dated 5 May 2025.

8.3 Recommend appropriate sanctions, including the maximum fine of 10% of annual turnover, should Fronting be established.

DEPONENT: WILBUR WILLIAM MATTHEE

COMMISSIONER OF OATHS

I certify that the Deponent has acknowledged that he knows and understands the contents of this affidavit, which was signed and sworn to before me at 11/1/25 on this 11/02/26 day of FEBRUARY 2026.

FINAL ATTACHMENTS FOR THE COMMISSION:

1. **Annexure A: Your Case Manager Email Signature** screenshot.
2. **Annexure B: The July 2025 EHS Roster** (The PDF showing 2nd, 3rd, 4th floors).
3. **Annexure C: The 10 Feb 2026 UIF Report** (showing "No Information").
4. **Annexure D: A Certified Copy of your ID.**

Dear Sipokazi,

I refer to your email dated 15 January 2026.

1. Rejection of Information Request:

Your request for my basic identity and employment details is rejected as a bad-faith stalling tactic. As a Human Capital Consultant, you have access to the Respondent's payroll records. Furthermore, the Respondent's legal representative, Mr. Xollie Vincent Manyati, authored a sworn Opposing Affidavit on 10 December 2025 (Case WECT23564-25) identifying me and my role.

2. Ignorance of Prior Requests:

Please note that I formally requested these documents from Cheryl-Dawn Modern on 7 January 2026. Her complete ignorance of that request and subsequent failure to provide the documents—despite my follow-up with you on 14 January—is a continuation of the institutional silence and victimization documented in my legal filings.

3. Evidence of UIF Non-Compliance (June 2025):

Attached is a screenshot from the uFiling portal showing that the Respondent failed to submit a declaration for June 2025. My payslip for that month reflects that UIF was deducted from my salary. This discrepancy constitutes a violation of the Unemployment Insurance Contributions Act. I require immediate proof of payment and an updated declaration for June 2025 to ensure my claim is not rejected by the Department of Employment and Labour (DEL).

4. Formal Notice to Leadership:

(To Lindiwe Miyambu, Tebogo Makoe, and Monwabisi Kula) Please be advised that I am formally filing my Founding Affidavit in the Labour Court on Tuesday, 20 January 2026. The systemic failure to provide my UI-19, retirement forms, and the missing June 2025 declaration will be included as evidence of institutional bad faith and continued occupational detriment.

5. Final Demand:

I require the following by 12:00 PM on Monday, 19 January 2026:

- My completed UI-19 form;
- My Service Certificate and Umbrella Fund Withdrawal Forms;
- Proof of UIF payment and declaration for June 2025.

Failure to comply will result in a formal complaint to the DEL and a request for a statutory audit.

Updated First Aid Daily Roster & Backup Plan

1 message

Wilbur William Matthee <wilburmat@gmail.com>
To: Wilbur Matthee <wilbur.matthee@medscheme.co.za>

Dear First Aid Team,

I hope this message finds you well.

Please be informed that we have implemented a new daily roster for all First Aiders to ensure fair distribution of duties across all floors. This change comes in response to recent observations that only certain First Aiders are being contacted during emergencies. The new roster aims to ensure equal participation and support throughout the building.

Each day will have a designated First Aider, as well as a backup person, in case the primary is not available.

Important:

If you are scheduled for leave this month, please indicate your leave dates on the roster.

Kindly share the updated roster with your team leaders so they are aware of your allocated days.

If you are the backup, please make sure the scheduled First Aider is on duty. If not, be prepared to step in.

Your cooperation is greatly appreciated in making sure that all areas are covered and that we respond swiftly in the event of an emergency.

Thank you for your commitment and continued support.
