Good day,

Please can I ask that you/the patient answer the below questions, so we can determine your/their suitability. Please note that our GP's might request a referral letter if you/they are over the age of 50 or have any medical conditions.

General

- Is the patient willing?:
- Name and Surname:
- Age & Date of birth:
- What is your addiction(please specify the substances you use):
- How long have you been using for:
- When last did you use:
- Area of residence:
- Contact number:
- Email Address:
- Planned length of stay:
- Planned admission Date:

Psych and medical

- Do you have a psych diagnosis(if yes, please specify):
- Are you taking any medication for your psych diagnosis(if yes, please specify the meds and what they are for):
- Any known medical history(eg hypertension, diabetes, cholesterol etc):
- Are you taking any medication for medical reasons(Please specify meds):
- Have you been hospitalized in the past 30 days, if so why?:

Have you had a recent head injury or surgery? (Will need reports if recent):

Any suicidal ideation(thoughts, or attempts- please specify):

Any observation of psychosis(hallucinations/delusions):

Have you been admitted into a rehab centre before(if yes, please specify where and when):

How long after your last rehab treatment, did you relapse?:

Please do have a look at the links in my signature below, I also attached more information on our facility.

If you have any questions, please do not hesitate to make contact with me if you have any further questions.

Keziah Quimpo
