Dear Sipokazi,

I refer to your email dated 15 January 2026.

1. Rejection of Information Request:

Your request for my basic identity and employment details is rejected as a bad-faith stalling tactic. As a Human Capital Consultant, you have access to the Respondent's payroll records. Furthermore, the Respondent's legal representative, Mr. Xollie Vincent Manyati, authored a sworn Opposing Affidavit on 10 December 2025 (Case WECT23564-25) identifying me and my role.

2. Ignorance of Prior Requests:

Please note that I formally requested these documents from Cheryl-Dawn Modern on 7 January 2026. Her complete ignorance of that request and subsequent failure to provide the documents—despite my follow-up with you on 14 January—is a continuation of the institutional silence and victimization documented in my legal filings.

3. Evidence of UIF Non-Compliance (June 2025):

Attached is a screenshot from the uFiling portal showing that the Respondent failed to submit a declaration for June 2025. My payslip for that month reflects that UIF was deducted from my salary. This discrepancy constitutes a violation of the Unemployment Insurance Contributions Act. I require immediate proof of payment and an updated declaration for June 2025 to ensure my claim is not rejected by the Department of Employment and Labour (DEL).

4. Formal Notice to Leadership:

(To Lindiwe Miyambu, Tebogo Makoe, and Monwabisi Kula) Please be advised that I am formally filing my Founding Affidavit in the Labour Court on Tuesday, 20 January 2026. The systemic failure to provide my UI-19, retirement forms, and the missing June 2025 declaration will be included as evidence of institutional bad faith and continued occupational detriment.

5. Final Demand:

I require the following by 12:00 PM on Monday, 19 January 2026:

- My completed UI-19 form;
- My Service Certificate and Umbrella Fund Withdrawal Forms;
- Proof of UIF payment and declaration for June 2025.

Failure to comply will result in a formal complaint to the DEL and a request for a statutory audit.
