Good day Wilbur

Concession will be made today but in order to be consistent and fair towards the whole team the same principle need to be applied for everyone.

Time owed should be worked back on the same day or the very next day as per departmental adherence policy.

Please add the time for late coming today to the total time owed.

Kind Regards

Mary-Ann Jones

Good day Wilbur

We had the discussion regarding the below earlier on and you confirmed that you are better but due to being without medication it has affected your health a bit with the diarrhoea.

I understand the impact the reduction in finances had on your personal life and that you ran out of medication.

Friendly request to please ensure that you have enough medication for the month in future as discussed.

Kindly advise when the 35 minutes owed will be worked back please. Reminder to update your time sheet with the time owed and worked back.

Kind Regards

Mary-Ann Jones

Good day Mary-Ann

Kindly note that Wilbur had to leave at about 16:25 yesterday due to going to the pharmacy to get script filled
He was having severe withdrawal symptoms and Lebo assisted with taking him to the pharmacy .
