Subject: STUDY ASSISTANCE

Dear Wilbur

I know you are not here right now, and I wish you speedy recovery.

Just an update on your study assistance request - Dates for the next sitting have not yet been confirmed. I have made the GM aware that you are currently studying and would like assistance with funding. As soon as the dates are confirmed we will let you know.

In the meantime , please can you prepare the following for us so we can be ready for submission – at your earliest convenience of course.

- Employee name and surname**
- Your current position:**
- Department:**
- Tenure (how long you’ve been working for Medscheme for):**
- Talent Grid:** i.e have you mapped your career growth within Medscheme using the skills you wish to acquire
- Critical/ Scarce Role:**
- GM Approval:** you don’t have to complete this
- Peformance Management Scores over 3 Years:** if you don’t know, Nthabi and Lindani can assist
- Course:**
- Institution:**
- Course Duration:**
- 2025: which year are you in, first, second etc**
- Request:** **Course to be Funded** – I suspect this is what you need right? If not you can change that highlighted part.
- Amount:** you can write the full course amount or amount per year for which duration

Motivation: why should you be considered for funding of the course you are studying

Kind Regards 

Mapule Mashele
