Dear Applicant

Thank you for submitting your request for assistance to The Whistleblower House (TWBH). We acknowledge receipt of your acceptance of our Terms and Conditions, Terms of Service, and Disclaimer.

In line with the process outlined in our Terms of Service, your matter is currently under evaluation. As part of this evaluation, an initial legal assessment is required.

TWBH has therefore referred your matter to attorneys for an initial review, which includes a validity and scope assessment. The attorneys will contact you directly to arrange an introductory meeting.

ATTORNEYS:
Schroter Attorneys
Contact Person: Marco van der Walt
Tel: (044) 874 5372
Email: marco@schroterlaw.co.za

Please save these contact details and ensure that you respond when contacted. Failure to respond, cooperate or provide the requested information or documentation timeously may result in TWBH being unable to proceed with the evaluation of your matter and may lead to the matter being closed.

After the introductory meeting and review of the information and documentation (if requested), the attorneys will provide feedback to TWBH. This feedback will include an assessment of whether the matter falls within the provisions of the Protected Disclosures Act, 2000.

Your attention is again drawn to the Terms and Conditions, Terms of Service, and Disclaimer, which you have accepted. These documents set out the process to be followed. The attorneys are regarded as the subject-matter experts and are best placed to determine strategy, identify available mechanisms, and provide guidance on the appropriate way forward.

Once TWBH has received the attorneys' report, a final decision will be made on whether TWBH will proceed to provide any of the four support services requested or decline the request. This decision will be communicated to you in writing.

Please note that TWBH will be responsible for legal costs from the date of referral to the attorneys going forward, but not for any legal costs incurred prior to this referral.

Should you have any questions, please do not hesitate to contact us.

Kind Regards,
