**To:** Ms. Lebohang Mpumlwana (Company Secretary); The Board of Directors (AfroCentric Health / Medscheme)  
**CC:** Mr. Bruno Fernandes (Lead Independent Director); Head of Social & Ethics Committee; Head of Risk Committee

**Dear Members of the Board,**

I am writing to formally update the Board on the status of my regulatory filings and to provide a final opportunity for internal resolution before these matters escalate into formal, non-retractable investigations.

## 1. Regulatory Status Update

Please be advised that as of today, **23 December 2025**:

- **The JSE Issuer Regulation Division** has formally acknowledged receipt of my 325-page Evidence Bundle regarding the alleged violations of **JSE Rule 3.285.4** (Reckless Governance) and the suppressed Priority 1 Material Risk Report.
- **The Financial Sector Conduct Authority (FSCA)** has received my formal complaint regarding the breakdown of internal controls and the "Executive de-escalation" of my protected disclosures.
- Filings with the **Department of Employment and Labour (DEL)** and the **B-BBEE Commission** are active, specifically concerning the unlawful 40% salary deduction and allegations of B-BBEE misrepresentation.

## 2. Humanitarian Crisis & Imminent Eviction

As stated in my Letter of Demand, I am currently facing a humanitarian crisis. Due to the punitive financial measures and the "psychosocial safety breach" documented in my complaint, I am two months in arrears on rent and face imminent eviction.

The Respondent's decision to file a **retaliatory affidavit on 10 December 2025** -which attacked my character and dismissed my psychiatric relapse -has been included in my regulatory filings as evidence of ongoing "occupational detriment" under the **Protected Disclosures Act (PDA)**.

## 3. Final Opportunity for Resolution

While the regulatory processes are now in motion, I remain open to a meaningful settlement that addresses:

- **Immediate Hardship Relief:** To prevent homelessness and cover urgent medical/living expenses.

- **Compensation for Automatically Unfair Constructive Dismissal:** Calculated at 24 months' salary as per Section 194(3) of the LRA.
- **Damages for Discrimination:** Addressing the EEA violations and injury to dignity.

Should you wish to resolve this matter privately before the JSE and FSCA initiate formal inquiries with the company's Sponsor, please respond by 10 am 24 December 2025.

I reserve all my rights in their entirety.

Sincerely,

Wilbur William Matthee
