DATE: 28 May 2026

EXISTING SAPS CAS NO: 1954/3/2026

HIGH COURT CASE NO: 2026-086906 (Western Cape High Court)

1. PURPOSE

This is a formal escalation to the National Director of Public Prosecutions. I am submitting conclusive documentary evidence of systemic perjury and an attempt to defeat the ends of justice by a listed entity, AfroCentric Investment Corporation Limited, and its representatives. This conduct has been actively deployed in the High Court to suppress my lawful disclosures as a protected whistleblower.

2. THE EXISTING FRAUD INVESTIGATION

A criminal case of statutory fraud regarding the non-remittance of Unemployment Insurance Fund (UIF) contributions is currently active under the above-mentioned SAPS CAS number.

3. THE PERJURY AND INTERFERENCE WITH JUSTICE

In an attempt to suppress my reporting of these crimes and associated systemic clinical and data integrity risks, the entity approached the High Court for an urgent interim interdict (Case No: 2026-086906). In doing so, representatives of the Applicant have committed material perjury by making mutually destructive statements under oath across parallel court divisions (The High Court and the Labour Court). Specifically:

- In the High Court (Founding Affidavit): They claim proprietary standing and direct operational interest to interdict my disclosures.
- In the Labour Court (Statement of Response dated 19 May 2026): They deny knowledge of parallel proceedings and disclaim direct employment liabilities, hiding behind a subsidiary shield.

4. PUBLIC INTEREST & PROTECTED DISCLOSURE

As a Specialist Registered Nurse and Health Services Manager, my actions are protected under Section 9 of the Protected Disclosures Act 26 of 2000. The corporate litigant is actively utilizing its financial resources to mislead judicial officers and abuse court processes to maintain a draconian gag order.

5. RELIEF SOUGHT

I request that the NPA immediately secure the High Court file under Case No: 2026-086906, link these fraudulent affidavits directly to the ongoing investigation under my existing CAS number, and direct the Specialised Commercial Crime Unit to institute criminal proceedings for perjury against the deponents.

Yours faithfully,
Wilbur William Matthee
Respondent (Acting in Person)
