Dear Tina,

I note your email to Belinda; however, as per her automatic reply, she is on bereavement leave until 7 April 2026.

As previously stated, this matter is extremely urgent. I am a self-represented litigant seeking a Rule 42 rescission of a punitive cost order granted on 25 March. I cannot wait until April 7th for a status update.

I require you, as the available consultant for the WC High Court Department, to:

Confirm if the audio for Case 2026-066952 (Court 4, 14:15) has been requested from the Court's IT department.

Provide the quote for the recording immediately.

I have CC'd the Acting Chief Registrar (Nicola Hanekom) and the Court Manager (Nosicelo Chwethiso) to ensure the court is aware that the official transcription service is currently unresponsive to an urgent matter due to personnel leave.

Please revert by close of business 02 April 2026.

Best regards

Subject: URGENT: Case No: 2026-066952 | Audio Request | Personnel on Leave

Dear Tina,

I am following up on my urgent request for the audio recording and transcript for Case No: 2026-066952 (Matthee v Fernandes & Others), heard on 25 March 2026 in Urgent Court 4 before Judge Anderson.

Belinda Botes acknowledged the request on 27 March at 21:49, stating she would request the audio and revert. However, I have received an automatic reply indicating she is on bereavement leave until 7 April.

As this matter involves an intended Rule 42 rescission application, the timeline is critical. Could you please urgently confirm:

If the audio request was successfully logged with the court before Belinda's leave?

The current status and the quote for the recording of both the 10:00 and 14:15 appearances?

Thank you for your immediate assistance.

Regards,

Wilbur William Matthee

Good day, Wilbur,

My mother passed away last week and as stated in my automatic replies, was on bereavement leave until 07.04.2026. As it was a short week with skeleton staff being Easter weekend, response was delayed. I trust you can understand that it was an emotional time for me losing my mother. I will be sending you a quote just now.

Regards,

Dear Belinda,

I am so sorry to hear about the loss of your mother. Dealing with grief while trying to manage business matters is incredibly difficult, and I truly appreciate you reaching out personally.

Please accept my deepest condolences. I completely understand the delay—family and your well-being must come first, especially during such a significant loss. Take the time you need.

I have received your message regarding the quote and will look out for it.
Wishing you and your family peace and strength during this time.

Hi Wilbur,

Thank you for your kind words. I am just replying on this email in respect of your request to only listen to the audio. As the service provider we don't have the authority to distribute the audios. You can liaise with Ms Hanekom to arrange to go listen to the audio, bearing in mind, I'm not sure of their procedure at court in this regard.

Regards,
