Dear Ms. Soundy,

I hope this email finds you well.

I am writing to formally request your assistance with the electronic filing of documents for two of my active matters. I have been experiencing persistent technical failures with the online portal since April 13th, 2024. Despite numerous attempts throughout today, April 14th, the system has not allowed the following uploads to conclude.

I would be grateful if you could assist in loading these documents under their respective case numbers or advise on an alternative method to ensure they are properly reflected on the court record:

1. Case No. 2026-077546 (BCEA Matter)

- **Document:** Final Notice of Motion and Founding Affidavit
 - *File Name:* matthee_founding_bcea_final
- **Document:** Affidavit of Service
 - *File Name:* matthee_proof_of_service_bcea

2. Case No. 2026-083299 (LRA Statement of Claim)

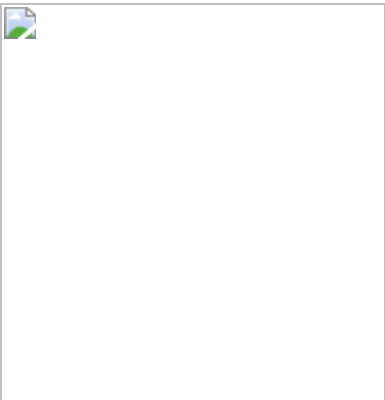

- **Document:** Affidavit of Service
 - *File Name:* matthee_proof_of_service_lra

I have attached the relevant documents to this email for your convenience. Please let me know if there is any further information required from my side to facilitate this process, or if I should attend the registrar’s office in person due to these system-wide issues.

Thank you for your time and assistance in this matter.

Sincerely,

Sr. Wilbur W Matthee
