Subject : URGENT: SECOND FOLLOW-UP - Request for Judicial Placement | Case No: 2026-077546 | W.W. Matthee v Afrocentric Health (RF) (Pty) Ltd & Another

Date : 09 Jun 2026 13:52

Dear Ms. Ismail,

I refer to my previous correspondence sent on 03 June 2026 regarding the above-referenced matter.

I am aware, via electronic tracking, that my correspondence of 03 June has been accessed; however, I have received no acknowledgment or update regarding the status of this matter. It has now been 25 days since your last update on 12 May 2026, and 36 days since the application for Default Judgment was formally filed.

As previously detailed, I am a self-represented litigant currently experiencing financial destitution, with no income since November 2025. The ongoing delay in allocating a date or placing this matter before a Judge in Chambers is causing severe, compounding prejudice.

Given the unopposed nature of this claim (R14,811.77) and the significant time elapsed since the matter became ripe for adjudication on 29 April 2026, I request that you confirm:

That this correspondence has been formally noted for the file; and
The specific timeline within which I can expect a date to be allocated or for the matter to be reviewed in Chambers.

Should there be any administrative obstacle preventing the progression of this unopposed matter, I request to be advised immediately so that I may explore alternative procedural remedies.

I trust that the urgency of this situation will now be afforded the attention it requires.

Yours Professionally,

Sr Wilbur William Matthee
