Good day Wilbur

As a team leader it is quite a challenge to be on my phone while working. I do tend to check my phone in the morning to review unplanned absenteeism of the team but otherwise do not check my phone much during the day.

I will schedule a One on One for us to discuss the effect of unplanned absenteeism on the team, department and operations.

Please load half day unpaid leave on Oracle and kindly advise the difference in time owed as well.

Kind Regards

Mary-Ann Jones

Good day Mary-Ann,

I arrived at 12 but started working at 13:30. I Noted that you haven't received my second WhatsApp message requesting for half day. My Key broke off in my lock this morning and waited till past 10 for the landlord to come out and replace the lock.
