Subject: URGENT EXECUTION: Systemic Registry Malfeasance, POPIA Breach & Formal Escalation to Judge Presidents (Ref: EH/JO/2026/003)
Importance: High

Dear Mrs. Ruanne David,
Director of Court Operations Western Cape Division.
Copy: Parliamentary Portfolio Committee (Adv. Vamaano / Mr. Mthonjeni)

I am writing to you directly in my capacity as a associate compliance practitioner and founder of EthicHawks Forensic Governance & Compliance.

Please find attached a formal escalation memorandum (Ref: EH/JO/2026/003) addressed to the Honourable Judge Presidents of both the Labour Court (Cape Town) and the High Court (Western Cape Division).

I am bypassing the standard registry channels and submitting this directly to your office for immediate transmission to the respective Judge Presidents for two critical reasons:

Conflict of Interest: The local registries are the primary subjects of this forensic audit, making standard filing channels an absolute barrier to justice.

Executive Misrepresentation: As detailed in Section 4 of the attached memorandum, the registry staff have actively misrepresented official filing timelines and records to your office specifically, compromising the court's data integrity and shielding themselves from accountability.

Because this matter directly touches on executive governance, institutional data integrity, and a severe POPIA violation involving third-party data (Armstrong v City of Cape Town), I know you will recognize the necessity of escalating this to judicial leadership without delay.

This correspondence is concurrently copied to Adv. Vamaano and Mr. Mthonjeni of the Parliamentary Portfolio Committee to maintain a transparent federal record of this escalation.

Thank you for your professional intervention and for ensuring this dossier reaches the Judge Presidents immediately.

Yours faithfully,

Sr Wilbur William Matthee
