Dear NEHAWU

Leadership/Representative,

I am writing to formally notify you that I have initiated a dispute against my employer, [Medsheme/Afrocentric Health], at the Commission for Conciliation, Mediation and Arbitration (CCMA).

The case details are as follows:

CCMA Case Number: [Case WECT23564-25]

Nature of Dispute: Unfair Labour Practice (ULP) relating to [e.g., Unfair Dismissal, Unlawful Deductions, Harassment, discrimination, ect.].
Current Status: The matter is currently awaiting an In Limine Hearing.

Request for Support and Oversight

I respectfully request that a NEHAWU representative be present during the upcoming In Limine Hearing. Your presence would provide necessary oversight and moral support during this preliminary stage of the proceedings, ensuring that all procedural matters are handled fairly.

Request for Representation

Furthermore, I formally request that NEHAWU prepare to provide me with full legal representation should the matter proceed to the Arbitration stage.

Please confirm receipt of this email and advise on the following if possible:

Which NEHAWU official or representative will be assigned to my case.

The next steps required from my side to secure your representation for the Arbitration hearing.

I look forward to your prompt response and collaboration.

Thank you for your ongoing support.

Sincerely,

Wilbur Matthee
