Dear Mr Ramare and Ms Kgaboesele,

I refer to the Request for Additional Information (Form BBBEE 8) issued by Ms Moipone Kgaboesele and dated 09 March 2026, received in respect of the above-referenced matter.

Please find attached my formal response to all three questions posed in the Form BBBEE 8, together with a complete self-contained filing bundle comprising the response letter and tabbed Annexures A1 through A9.

The bundle addresses the following:

1. The year in which the Respondent utilised my credentials (2024–2025 reporting period)
2. Proof of my functional appointment as Specialist Case Manager — including the Naming Convention meeting confirmed in writing by the Respondent's Senior HR Business Partner, Ms Cheryl-Dawn Modern, on 19 January 2026
3. Proof of management control — including my appointment as Acting Chairperson of the Health and Safety Committee and operational leadership of 13 first aiders across three floors

The bundle also addresses:

- Forensic analysis of the July 2025 payslip confirming a 40.47% unlawful salary deduction in a single pay run, exceeding the BCEA Section 34(2) cap of 25%
- An irreconcilable gap of R8,863.15 between the Respondent's uFiling declared salary and their own payslip for the same period
- False evidence of UIF compliance submitted by the Respondent when challenged — an August 2025 payroll file presented as proof of a June 2025 declaration

The deliberate classification of my departure as "Resignation" to deny statutory UIF benefits while constructive dismissal proceedings are before the Labour Court

I make the following formal requests to the Commission:

- (a) Subpoena of the Microsoft Teams recording of the "Naming Convention" meeting (May 2025), wilfully withheld by the Respondent despite a Rule 7 demand in Labour Court Case WECT23564-25
- (b) Subpoena of the Respondent's 2024/2025 B-BBEE verification certificate and underlying Management Control schedule
- (c) Referral of the false UIF compliance evidence to the Department of Employment and Labour for independent investigation

Parallel urgent proceedings are before the Labour Court, Cape Town (Matthee v AfroCentric Health (RF) (Pty) Ltd and Others). The evidentiary record substantially overlaps with this complaint and is available to the Commission on request.

I confirm that all information contained in this response and the attached annexures is true and correct to the best of my knowledge and belief.

Yours faithfully,

Sr. Wilbur Matthee
