B-BBEE Commission

Subject: Discrimination, Victimization & Governance Fronting – Request for Investigation

Dear B-BBEE Commission,

I request intervention regarding:

- gender identity discrimination
 - retaliation
- exclusion from fair processes
- executive de-escalation of my PDA
 - board failure to act
- governance fronting indicators

These failures undermine:

- transformation
- ethical leadership
- inclusive governance

I request:

- whistleblower protection
- investigation into discrimination and governance fronting

Sincerely,

Wilbur William Matthee

Good day Wilbur

Compliments of the new year!!!

Please note that the Commission will only be able to accept new complaints and respond to general correspondence from Monday, 20 January 2026.

However, for now, I will provide you with the forms and the explanatory notice. Please complete the forms and return them to me after 20 January 2026.

Please note that the Commission recommends lodging a formal complaint, as there is a suspicion of fronting.

Please take a look at the attached explanatory notice and complaint form, complete it, and return it to me along with the required documents listed below.

Kindly take note of the process of lodging a formal complaint below.

1. Fully completed and signed BBBEE 7 Form (Attached).
2. Statement giving background of the complaint from the beginning until now, UNDER OATH.
3. Recent certified Copy of the complainant's ID.
4. Share Certificate.
5. Shareholders' Agreement/Memorandum of Association
6. Resolution or minutes of meetings held.
7. Memorandum of Incorporation.
8. Financial Information/Statement.
9. B-BBEE Certificate/Sworn Affidavit.
10. Salary Advice.
11. Recent contact details of the respondent (Name of contact person, address, email address, and contact details).
12. Letter of authority if a complaint is lodged on behalf of someone or on behalf of the union, and
13. Any other relevant documentation that will assist us.

NB: For documents that you do not have or do not apply to you, please let me know.

After receiving all the necessary information, the internal screening process will begin. Please note that submitting the form and supporting documents does not automatically initiate an investigation. Should your allegation pass the internal screening rationality test, the Commission will then assign a case number.

Trust you find this in order.
