WITHOUT PREJUDICE

Dear Mr Matthee

**Re: Your correspondence of 3 June 2026 to Parliament
Case No. 2026-086906 (Western Cape High Court) and Case No. 2026-083299 (Labour Court)**

- 1 We refer to the above matter as well as to your correspondence received at 15h28 yesterday, 3 June 2026. We also confirm receipt, in copy, of your further correspondence to the Speaker of the same date.
- 2 Our client notes with concern that you intend to submit to Parliament, and thus potentially to the public at large, a "multi-volume evidentiary bundle" which would appear to contain confidential, proprietary and/or personal information which is subject to the Order made by the High Court on 16 April 2026. Our client's prima facie view is that such documentation, if disclosed, would violate the terms of the Order and would place you in contempt of court.
- 3 Our client is, however, of the view that it is not in the best interests of either party to initiate a further round of litigation on top of disputes already pending before the High and Labour Courts. To this end, we are instructed to propose that the parties meet on a without prejudice and without admission of liability basis in order to seek an amicable resolution of these disputes.
- 4 Kindly advise us per return whether you are amenable to attending such a meeting which will be attended by representatives of our client and its legal team.
- 5 We stress that this proposal is made strictly on a without prejudice basis and that our client's rights are reserved in full.

Yours faithfully
